

# SP-600 Accessories

Cage with Fixing Bolt  
(SP-620)

Cage with 88mm Diameter Magnet  
(SP-626)

66mm Diameter Magnet  
(SP-624)

## Product Overview

Wolf's range of accessories includes cages and magnets for the SP-600 ATEX LED Inspection Leadlamp and gives operators a wide range of flexible temporary installation solutions and added equipment protection for using temporary lighting in hazardous area working environments.

### Magnet

With a **66mm Diameter Magnet (SP-624)** the leadlamp can be positioned to grip on a flat ferrous metal surface for secure mounting almost anywhere - putting the leadlamp exactly where it is needed.

### Cage

The stainless steel Cage guard offers enhanced mechanical protection to the leadlamp when fitted to ensure its longevity in harsh working conditions. The Cage is supplied in two forms:

- **Cage with Fixing Bolt (SP-620)**
- **Cage with 88mm Diameter Magnet (SP-626)**

The 88mm diameter magnet has a greater clamp force than the 66mm diameter magnet and will offer higher levels of retention on surfaces with poor finishes and must only be used with the cage accessory.

All accessories listed here have been assessed safe for use in potentially explosive atmospheres, and are covered within the SP-600 ATEX (SIRA15ATEX3317X) and IECEx (IECEx SIR15.0115X) certificates. Only genuine Wolf accessories will maintain ATEX/IECEx compliance of the product.

## Technical Specification

Product Reference	SP-624	SP-620	SP-626
Product Description	66mm Diameter Magnet (66mm magnet only for use without the cage)	Cage with Fixing Bolt	Cage with 88mm Diameter Magnet (88mm magnet only for use with the cage)
Material	EPDM Black Rubber Coated Magnet	304 Grade Stainless Steel	Cage - 304 Grade Stainless Steel

			Magnet - EPDM Black Rubber Coated Magnet
<b>Dimensions</b>	66mmØ x 22.5mm	104mm x 106mm x 95.5mm	Cage - 104mm x 106mm x 95.5mm Magnet - 88mmØ x 22.5mm
<b>Weight</b>	116g	120g	206g

- All information has been gathered under laboratory conditions, the user must regard the values given as approximate.
