

WARRANTY STATEMENT

We hereby confirm that all Wolf Safety Lamp Products are guaranteed against faulty materials and/or workmanship for a period of 24 months from date of purchase, subject to normal user service and the manufacturer's operating instructions supplied with the product, and in accordance with International IEC Standards on Inspection and Maintenance of electrical installations in Hazardous areas (other than mines). This warranty includes LED light sources and rechargeable batteries, but does not include incandescent bulbs and primary cells.

The Company has a policy of immediate investigation of any warranty claim that might arise, for its validity and also in order to ascertain that no adverse trends or larger problems exist.

All quality complaints are recorded and statistically analysed at each Company Quality Management review.
